BROTHER AND SISTER CROWNED

The exciting 1979-1980 Homecoming featured a close dramatic game, Batavia sliding by Amelia 23 to 22. Hard work for the Juniors paid off as their float "Pooh on Bulldogs, Let's Winnie," received first place. The Seniors finished second and the Freshmen third. At half time the band and drill team performed and ceremonies included the introduction of the King and Queen. In an unusual election result certainly an Amelia first, brother and sister Brian and Tiffany Beach were honored as Homecoming royalty. The only dark spot was the cancellation of the parade.

On Saturday Student Council once again sponsored a Homecoming dance. Hay Market Riot played as 300 people danced to the theme song "We're All Alone."

Netherland Hilton's "Hall of Mirrors" reflected the memories of the 1979-80 Junior-Senior Prom. The King and Queen Greg Sweeney and Tiffany Beach danced to the theme song "We've Only Just Begun." The band, Haymarket Riot, entertained the 130 couples present.

Most prom-goers went to see the movie Fast Break, at Skywalk Cinemas following the dance. The music and atmosphere of the dance provided a final social gathering for the seniors before their graduation.

TWO SHARE TOP HONORS

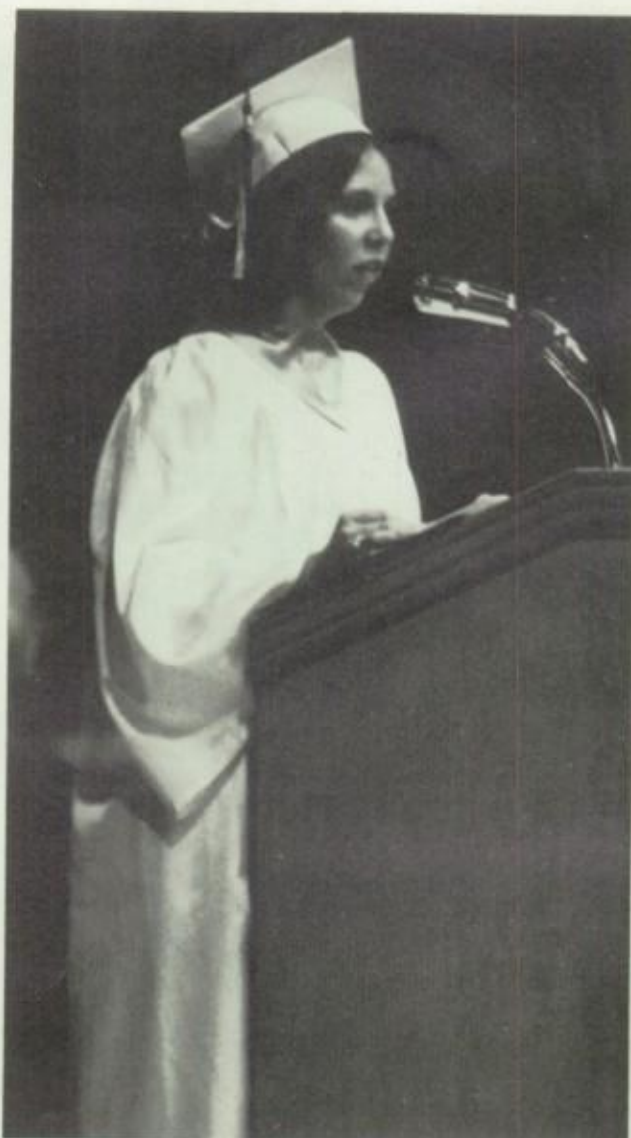

The class of 1980 was graduated in a ceremony held in the Xavier University Fieldhouse on May 18. Commencement speaker was State Senator Cooper Snyder.

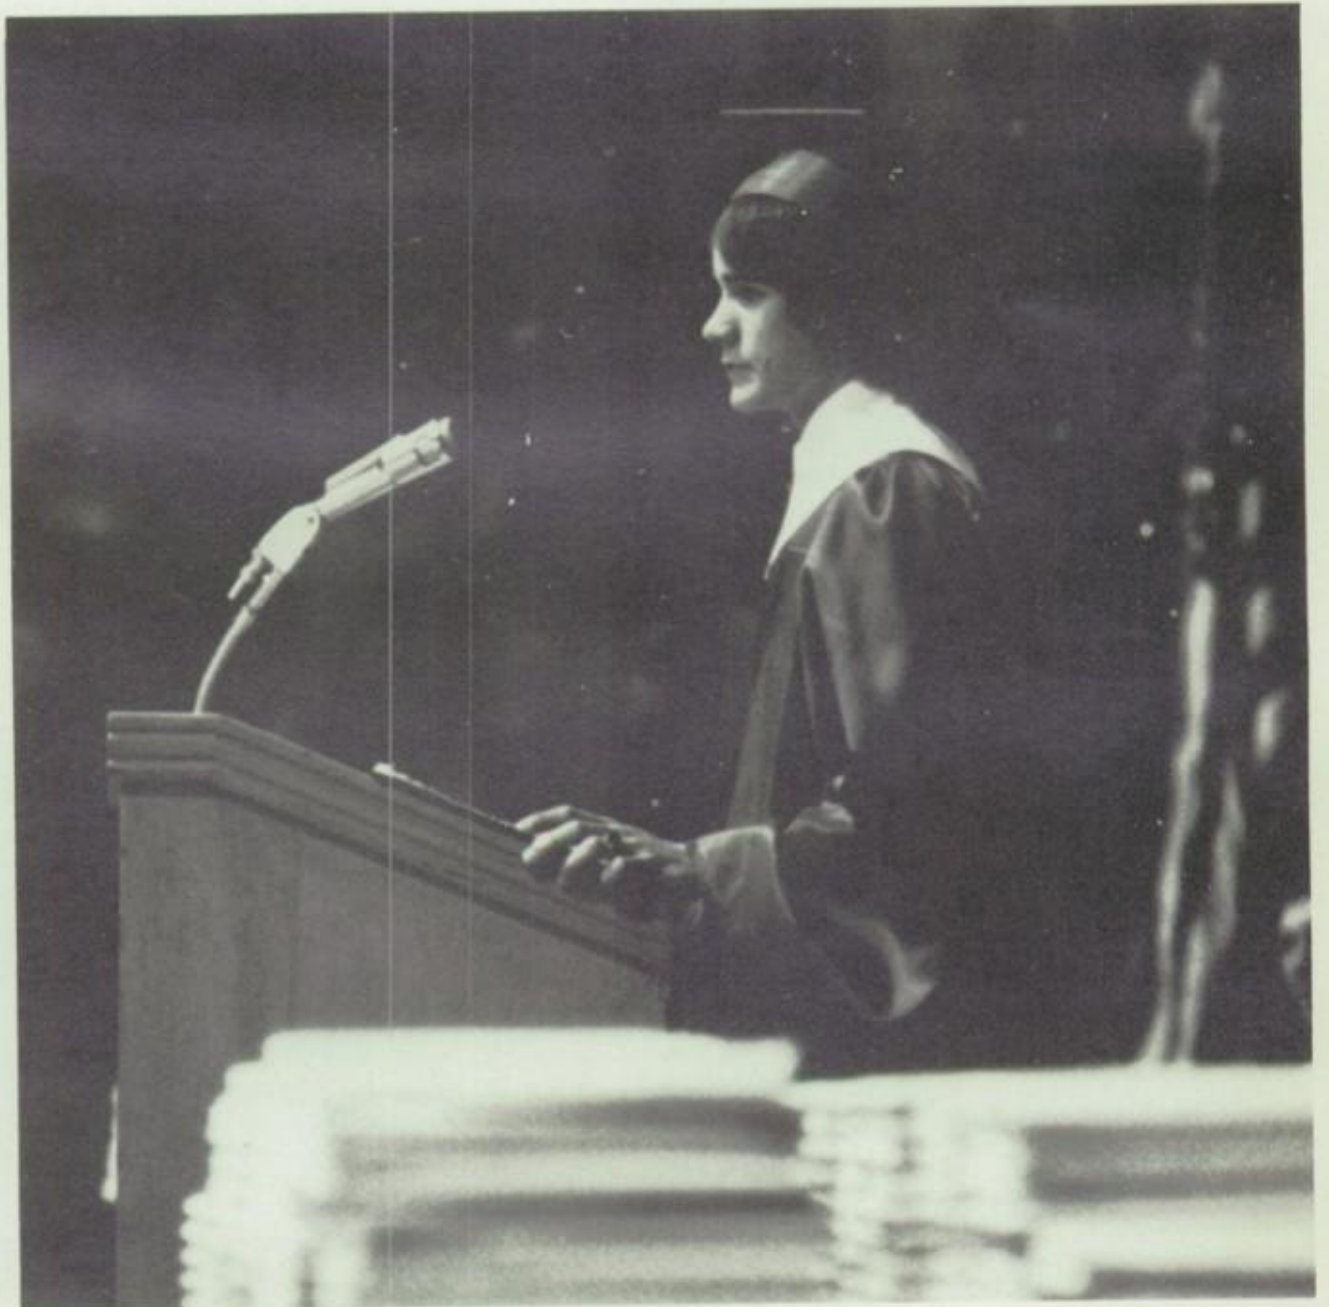

Though the Xavier Fieldhouse was acoustically imperfect the parents and students seemed to enjoy the valedictory and salutatory addresses. Salutatorian Jeff White welcomes the large crowd and thanked the teachers and administration. With nearly identical grade point averages, Kathy Zoner and Christy Hartman served as co-valedictorians, both presenting speeches dealing with goals and success.

The less than solemn ceremony ended with the distribution of diplomas and marked the final gathering of the class of 1980.

COUNCIL RECEIVES AWARDS

The Student Council performed various duties for the school and the community.

The year started with money-making projects beginning with the selling of pizzas during the summer months. The Student Council promoted the Homecoming floats and the Homecoming Dance. The Student Council also put on a Christmas Dance, collected for muscular dystrophy, held a can food drive, set up an Art Show, held the Annual Awards Days and put together the spirit games.

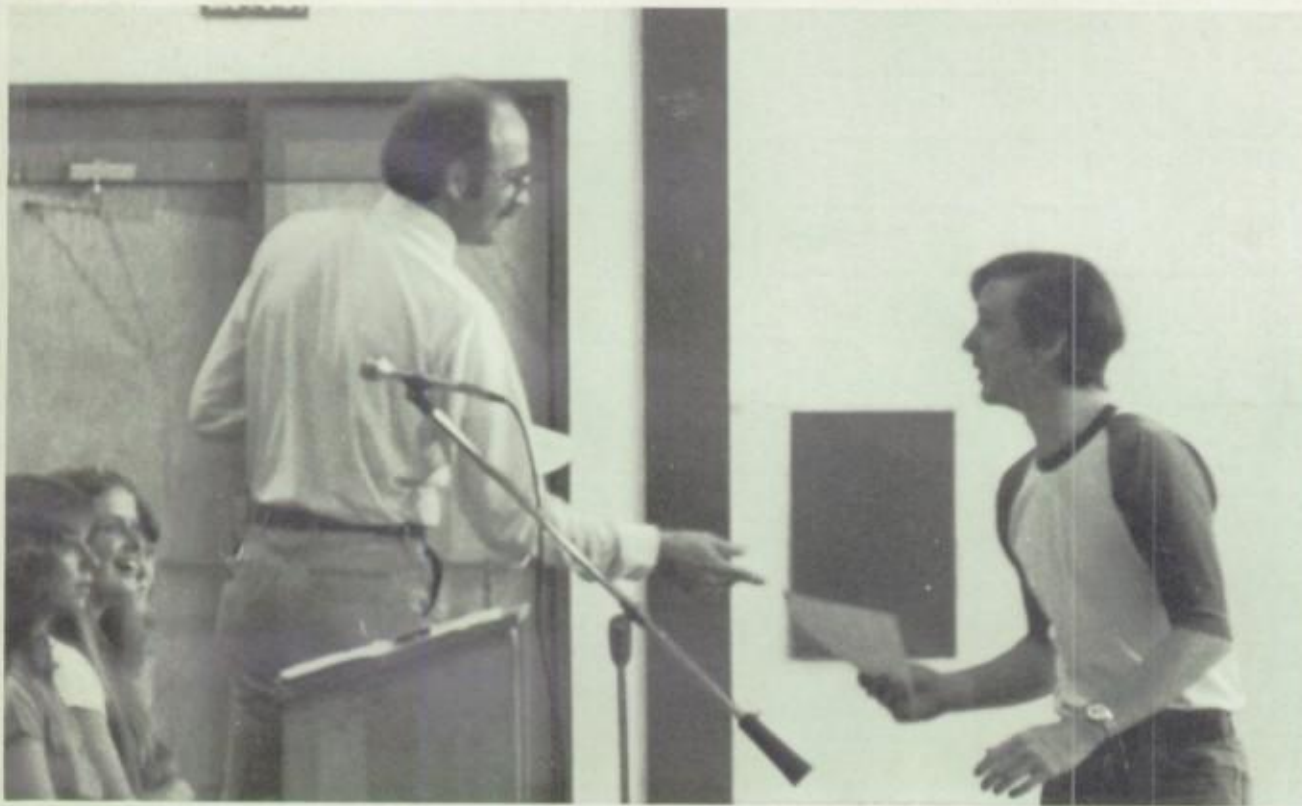

Effort was made by all members to improve the school through landscaping and trash clean-up committees and surveys to improve the lunches.

Mr. Randall once again served as sponsor, aiding the new president and officers greatly. The year proved to be quite a success.

For the first year the Student Council was named an Honor Council by the Student Councils of Ohio. President, Mary Giwer served as a GCASC Representative and from there was elected OASC Representative by OASC council members.

The National Honor Society's tapping and induction ceremony was once again a major highlight of the school year. Those seniors and juniors who were nominated demonstrated three unique traits consisting of leadership, scholarship and character. The induction ceremony held December 14, in the cafeteria was followed by a reception which joined the new and current members and their families.

DRILL TEAM INITIATES CHANGES

New sponsor, new uniforms, and new leadership marked the change in the 1979-80 drill team. With the addition of captain and co-captain, strong leadership led the members through a successful year. The 24 members sold candles and held several car washes to raise money for new uniforms.

Throughout the entire year the drill team performed at all home football games and several away games. During basketball season the drill team entertained the crowds at halftime.

The entire year was mainly oriented towards competition and the many hours of practice proved to be worth all the time and effort. Miss Fritz, first year sponsor for the drill team, commented that it was quite a successful year.

BARONS TAKE SECOND IN CCL

In the CCL, five players were chosen for League All Star First Team; Brian Beach, John Crawford, Scott Phillips, Bill Rapp, and Randy Siler. In addition John Crawford and David Angel were selected for second team.

Commenting on the season Coach Carpenter felt it was the senior leadership which brought the whole team together.

The reserve team brought the Barons a CCL title with an undefeated season. The freshmen team completed an undefeated season with a 5-0-1 record.

FIRST YEAR A WINNER

With a record of 5 wins and 2 losses, Amelia's Girls' Soccer Team did quite well in their first season. Even though girls' soccer was a new sport and attendance was not large, enthusiasm toward the games was high.

The season started out with a loss to McNick but then the team put together a 3 game winning streak, defeating Glen Este, Seven Hills, and Marian. Their winning streak was then broken by Mother of Mercy, but they got that loss back by defeating Country Day and Glen Este for a second time.

The most valuable player award went to Shari Brumfield. The 110% award was earned by Heather Brown. Tiffany Beach received the best Defense award.

Three golfers, senior Bill Nixon, Junior Lars HoTseung and sophomore Doug Thomas, were chosen All County.

Seniors Linda Young and Peggy Abbott shattered records in the field events, Young setting the mark in the discus with a toss of 108 feet, and Abbott pushing the standard in the shot to 31'7". Both advanced to district competition before being eliminated.

MVP awards went to senior Christine Wellerding for running events and to Linda Young for field events; Missy Gaskins, a promising distance runner, was named most improved.

SECOND IN THE STATE!

In only his second year as head coach, Mike Rapp took his charges all the way to the state finals. The talented team rolled through regular season opposition with only one loss, then proceeded through tournament play. Behind the pitching of MVP Tiffany Beach and solid defensive play led by shortstop golden glove winner Brenda Clary, the senior dominated team entered the state semi-finals with an impressive 13-1 record.

In the dramatic semi-final game, Freshman pitcher Mary Frazier came on in relief to preserve a 6-5 victory, putting the Barons in the finals. The championship game proved a disappointment, the girls went down to defeat 14-0, facing the best pitcher in the state.

This was the first Amelia High sports team to reach the state finals in 30 years and the lady Barons should be proud of their magnificent season.

Throughout the year, as this yearbook has taken shape I have been constantly amazed by this annual staff. When deadlines approached, and sometimes passed, everyone got together and put forth the effort needed to keep us from getting too far behind. At this time I would like to extend my personal thanks and congratulations to each and every staff member for a job well done, and for their help and support.

The production of this book also relied heavily on certain individuals who deserve special recognition:

Mr. Albert Nutgrass, for his consideration of our sometimes off-beat requests and for keeping us in line.

Mrs. Betty Cowan, for keeping track of our finances and dealing with Executive Studios and Taylor Publishing.

Mrs. Jeanne Duhl, for putting up with our constant requests for information and phone use.

The counselors, faculty, and sponsors for giving their time and cooperation to our photographers and reporters.

Mr. Terry Hirtzinger for his patience and guidance when we were behind our deadlines.

Executive Studios, for being there to take the necessary pictures and for their help and guidance to our student cameramen.

Once again I extend my thanks and appreciation to the staff of the 1980 Baron. The talents that you showed for cropping pictures, writing copy and captions, and designing layouts are evident in this book. Congratulations on a job well done.

Last, but never least, Mr. Steven Krieger deserves the thanks and appreciation of the entire staff for his patience, instruction, dedication, and fellowship.

All of these people deserve the respect and thanks of all who enjoy this yearbook, they have made it possible. On behalf of the entire yearbook staff, I hope that you enjoy this book as much as we have enjoyed putting it together. Read it and enjoy.
